Koninklijke KPN N.V. ("KPN" or the "Company") announces the terms of its EUR 3bn rights issue which was announced on 20 February 2013 (the "Offering"), and approved by the Annual General Meeting of shareholders on 10 April 2013. The Offering is fully underwritten by a syndicate of banks led by Deutsche Bank, Goldman Sachs International and J.P. Morgan acting as Joint Global Coordinators and Joint Bookrunners (the "Joint Global Coordinators"). ABN AMRO, ING and Rabobank International are acting as Joint Bookrunners; Barclays, BofA Merrill Lynch, Citigroup and UBS Investment Bank are acting as Co-Bookrunners and BNP PARIBAS, Credit Suisse, Société Générale and UniCredit as Co-Lead Managers (together with the Joint Global Coordinators, collectively, the "Banks"). Rothschild is acting as financial adviser to the Company.

América Móvil, S.A.B. de C.V. ("AMX") has committed, subject to customary conditions, to subscribe for the Rights (as defined below) pro rata to its current participation in the issued share capital (excluding treasury shares) of 29.77%.

"The rights issue is the final step of the EUR 4bn equity equivalent capital raise originally announced at our full-year results back in February. The proceeds from the capital raise will align our financial position with our strategy. Moreover, it will provide financial as well as strategic flexibility and will allow KPN to invest in its operations and to reduce its net debt level as well as support our commitment to maintain an investment grade credit profile."
(Eelco Blok, CEO KPN)

In connection with the Offering a prospectus is made generally available in The Netherlands that has been approved by the Dutch Authority for the Financial Markets (Stichting Autoriteit Financiële Markten, the "AFM"), dated 25 April 2013 (the "Prospectus").

Terms of the rights issue

The following details are subject to the more detailed terms of the Offering that are set out in the Prospectus, which is available as of today, 25 April 2013.

Issue Price

Further to its press releases of 5 February 2013, 20 February 2013 and 10 April 2013, KPN today announced its 2 for 1 rights issue of 2,838,732,182 new ordinary shares with a nominal value of EUR 0.24 (the "Offer Shares") at an issue price of EUR 1.06 per Offer Share (the "Issue Price") through the granting of transferable subscription entitlements ("Rights") to holders of ordinary shares in KPN's issued and outstanding share capital pro rata to their shareholdings. The statutory pre-emptive rights (*wettelijke voorkeursrechten*) of existing shareholders have been excluded with respect to the Offering. The Issue Price represents a discount of 35.1% to the theoretical ex-rights price ("TERP"), based on the closing price of EUR 2.78 of ordinary shares on NYSE Euronext in Amsterdam, a regulated market of Euronext Amsterdam N.V., ("NYSE Euronext Amsterdam") on 24 April 2013.

Record Date and Exercise Period

Each ordinary share held today, 25 April 2013, at 5.40 pm, Central European Time ("CET"), (the "Record Date") will entitle its holder to one Right. Eligible persons, as set out in the Prospectus, holding Rights (each an "Eligible Person") will be entitled to subscribe for 2 Offer Shares for every 1 Right that they hold.

Eligible Persons may subscribe for Offer Shares through the exercise of Rights from 9.00 am CET on 26 April 2013 until 3.00 pm CET on 14 May 2013 (the "Exercise Period"). The last date and/or time before which notification of exercise instructions may be validly given may be earlier, depending on the financial institution through which the Rights are held. Rights can only be exercised in multiples of 1. No fractions of Offer Shares will be issued. Except as otherwise set out in the Prospectus, once an Eligible Person has exercised his Rights, he may not revoke or modify that exercise. Any Rights that have not been exercised by the end of the Exercise Period, will expire and can no longer be exercised. Shareholders who transfer, or who do not, or are not permitted to, exercise any of their Rights granted under the Offering will suffer a dilution of their proportionate ownership and voting rights caused by the issue of the Offer Shares.

Listing of and trading in Rights

Application has been made to admit the Rights to trading on NYSE Euronext Amsterdam. Trading in the Rights is expected to commence on NYSE Euronext Amsterdam (under the symbol KPNR, ISIN NL0010421525) at 9.00 am CET on 26 April 2013, and will continue until 5.40 pm CET on 13 May 2013.

Rump Offering

After the Exercise Period has ended, any Offer Shares that were issuable upon the exercise of Rights but have not been subscribed for during the Exercise Period (the "Rump Shares") will be offered for sale by the Joint Global Coordinators by way of private placements to institutional and professional investors in The Netherlands and certain other jurisdictions at a price at least equal to the Issue Price and any expenses related to procuring such subscribers (including any value added tax, if any) (the "Rump Offering"). The Rump Offering, if any, is expected to be completed by no later than 5.30 pm CET on 15 May 2013.

Upon completion of a potential Rump Offering, if the aggregate proceeds for the Rump Shares offered and sold in the Rump Offering, after deduction of selling expenses related to procuring such subscribers (including any value added tax) exceed EUR 0.01 per unexercised Right, the excess amount will be paid as follows: each holder of a Right that was not exercised at the end of the Exercise Period will be entitled to receive a part of the excess amount in cash, proportional to the number of unexercised Rights reflected in such holder's securities account.
