Koninklijke KPN N.V. ("KPN" or the "Company") today announces that, in connection with its EUR 3bn 2 for 1 rights issue (the "Offering") of an aggregate of 2,838,732,182 new ordinary shares with a nominal value of EUR 0.24 each (the "Offer Shares") at an issue price of EUR 1.06 per Offer Share (the "Issue Price"), it has received subscriptions for 2,763,859,446 Offer Shares through the valid exercise of transferable subscription entitlements ("Rights") by eligible persons of such Rights. This represents a take up of 97.4% of the aggregate Offer Shares offered in the Offering. The exercise period for the Rights ended yesterday, 14 May 2013, at 3.00 pm CET.

#### ***Rump Offering***

Today, the 74,872,736 Offer Shares that have not been subscribed for through the exercise of Rights during the exercise period (the "Rump Shares") will be offered for sale by way of private placements with institutional and professional investors in The Netherlands and certain other jurisdictions by a syndicate of banks, with Deutsche Bank, Goldman Sachs International and J.P. Morgan acting as Joint Global Coordinators and Joint Bookrunners on behalf of the syndicate of banks that led the offering (collectively, the "Banks") at a price at least equal to the Issue Price and any expenses related to procuring such subscribers (including any value added tax), in accordance with the terms and conditions set out in an underwriting agreement between KPN and the Banks dated 25 April 2013 (the "Underwriting Agreement") and as set out in the prospectus for the Offering dated 25 April 2013 (the "Prospectus") (the "Rump Offering"). Rothschild is acting as financial adviser to the Company.

The Banks shall, subject to the satisfaction of conditions contained in, and on the terms of, the Underwriting Agreement, procure subscribers for or themselves subscribe for any Offer Shares not sold in the Rump Offering. The Rump Offering is expected to end at short notice but latest before 5.30 pm CET today, 15 May 2013.

Upon completion of the Rump Offering, if the aggregate proceeds for the Rump Shares offered and sold in the Rump Offering, after deduction of selling expenses related to procuring such subscribers (including any value added tax) exceed EUR 0.01 per unexercised Right (such amount, the "Excess Amount"), this Excess Amount will, subject to certain conditions, be paid as follows: each holder of a Right that was not exercised at the end of the exercise period will be entitled to receive a part of the Excess Amount in cash, proportional to the number of unexercised Rights reflected in such holder's securities account.

KPN cannot guarantee that a Rump Offering will be successfully completed. Should the Rump Offering take place, neither KPN, nor the Banks, the subscription and listing agent, nor any purchaser of Rump Shares will be responsible for any lack of Excess Amount arising from any placement of Rump Shares in the Rump Offering.
